

HEADWATERS BASKETMAKERS WORKSHOP 2010

CELEBRATE OUR 20TH ANNIVERSARY -APRIL 16,17,18

Join the fun and weaving for the 15th Annual Workshop and 20th Anniversary of our Guild. The event will be held at Concordia Language Village in the "Salolampi Village" which is one of five villages nestled in the pines and birches just north of Bemidji, MN.

The architecturally authentic buildings lend themselves to a feeling of being far from home. We are pleased to have this wonderful place to accommodate our guests for a relaxing weaving experience. You will enjoy not only the weaving and your friends, but the surroundings of the Finnish Village which will inspire your creativity!

A banquet will be held Saturday evening with some special surprises and fun to celebrate this 20 year milestone for our guild. Monie Martin, our guild president recently found the newsletters from the very first years of the Headwaters Basketmakers Guild. Eve Sumsy has been contacting many of the "charter weavers" and finding they have some very interesting stories to tell.

Below and on the following pages are the classes. We are excited to have some new teachers and some returning favorites! Please return your choices early as we are expecting a great turn out this year! All class reservations will be on a first come first serve basis. Please make sure you fill in your 2nd and 3rd choices.
